This deed and conveyance is expressly made subject to the following matters to the extent and only to the extent the same are valid and subsisting and affect the Property:

5. This sale is expressly made subject to the following environmental notices, exceptions, restrictions and covenants affecting the Property, which shall be included in the final instrument of conveyance substantially as set forth below:

a. CERCLA Notices, Covenants and Reservations

I. **CERCLA Notice** - Pursuant to 40 CFR 373.2 and Section 120(h)(3)(A)(i) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA)(42 U.S.C. §9620(h)(3)(A)(i)), and based upon a complete search of agency files, the United States gives notice that **no hazardous substances have been released or disposed of or stored for one year or more on the Property.**

II. **CERCLA Covenant** - Grantor hereby covenants and warrants that all remedial action necessary to protect human health and the environment has been taken before the date of delivery of this Quitclaim Deed. Grantor warrants that it shall take any

additional response action found to be necessary after the date of this Quitclaim Deed regarding hazardous substances located on the Property on or prior to the date of this conveyance.

(1) This covenant shall not apply:

(a) in any case in which Grantee, its successor(s) or assign(s), or any successor in interest to the Property or part thereof is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance; OR

(b) to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Grantee, its successor(s) or assign(s), or any party in possession after the date of this conveyance that either:

(i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this conveyance; OR

(ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance; OR

(iii) in the case of a hazardous substance(s) previously unknown by Grantor and Grantee as of the date of this conveyance but which is hereafter discovered by Grantee, its successor(s) or assign(s), or any party in possession and where after such discovery, Grantee, its successor(s) or assign(s), or any party in possession thereafter causes or exacerbates a release or threatened release of such hazardous substance(s).

(2) In the event Grantee, its successor(s) or assign(s), seeks to have Grantor conduct any additional response action, and, as a condition precedent to Grantor incurring any additional cleanup obligation or related expenses, the Grantee, its successor(s) or assign(s), shall provide Grantor at least 45 days written notice of such a claim. In order for the 45-day period to commence, such notice must include credible evidence that:

(a) the associated contamination existed prior to the date of this conveyance; and

(b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Grantee, its successor(s) or assign(s), or any party in possession.

III. Access. Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to Grantor. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses or remedial actions, shall be coordinated with record title owner and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

IV. Non-Disturbance Clause. Grantee covenants and agrees for itself, its successors and assigns and every successor in interest to the Property, or part thereof, not to disrupt and/or prevent the United States of America, its officers, employees, agents, contractors and subcontractors, and any other authorized party or entity from conducting any required response, including, but not limited to any necessary investigation, survey, treatment, remedy, oversight activity, construction, upgrading, operating, maintaining and monitoring of any groundwater treatment facilities or groundwater monitoring network on the Property.

b. Grantee has inspected the hereinabove described and conveyed property and has satisfied him/her/itself that the property is free of any hazardous substance(s) or petroleum products or their derivatives, and Grantee, its heirs, successors and assigns, will indemnify, protect, defend, save and hold harmless Grantor, and Grantor's employees, officers, representatives, attorneys and agents, from and against any and all debts, duties, obligations, liabilities, suits, claims, demands, causes of action, damages, losses, cost and expenses (including without limitation, costs associated with any investigation, monitoring, sampling, testing or removal of hazardous substance(s), attorneys' fees and expenses and court costs) in any way relating to, connected with, and/or arising out of the discovery of any hazardous substance(s) or petroleum product(s) or their derivatives which may have contaminated the hereinabove and conveyed property after the date of this Deed.

c. Grantee covenants for itself, its successors and assigns and every successor in interest to the property herein described of any part thereof, that any construction or alteration is prohibited unless a determination of no hazard to air navigation is issued by the FAA in accordance with Title 14, Code of Federal Regulations, Part 66, entitled, "Objects Affecting Navigable Airspace," or under the authority of the Federal Aviation Act of 1958, as amended.

d. The Property is conveyed "**as is**" and "**where is**" without any representation or warranty on the part of Grantor to make any alterations, repairs or additions. Grantee, for itself and its successors and assigns, further acknowledges that Grantor has made no representations or warranty concerning the condition and state of repair of the Property nor has Grantor made any other agreement or promise to alter, improve, adapt or repair the Property not otherwise contained herein.

e. Notice of the Presence of Asbestos-Warning!

- (i) The Purchaser is warned that the property offered for sale contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.
- (ii) Bidders (Offerors) are invited, urged and cautioned to inspect the property to be sold prior to submitting a bid (offer). More particularly, bidders (offerors) are invited, urged and cautioned to inspect the property as to its asbestos content and condition and any hazardous or environmental conditions relating thereto. The disposal agency will assist bidders (offerors) in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). Bidders (Offerors) shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the property including, without limitation, any asbestos hazards or concerns.
- (iii) No warranties either express or implied are given with regard to the condition of the property including, without limitation, whether the property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder (offeror) to inspect, or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.
- (iv) The description of the property set forth in the Invitation for Bids (Offer to Purchase) and any other information provided therein with respect to said property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
- (v) The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the property which is the subject of this

sale, whether the Purchaser, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

(vi) The Purchaser further agrees that in its use and occupancy of the property it will comply with all Federal, State, and local laws relating to asbestos.

f. **Lead-Based Paint Hazard Warning.** The Property (including the Improvements) that is the subject of this sale was built before 1978 and contains lead-based paint.

(i) Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

(ii) Risk Assessment and Inspection. The Government prepared a risk assessment and a lead-based paint inspection in accordance with 40 CFR 745.227. Bidders are encouraged to review this document and any other reports identified by the Government on the Lead-Based Paint Disclosure Form found in this Invitation for Bids. Although a complete set of documents will be provided to the purchaser prior to closing, each bidder is strongly encouraged to review the risk assessment and any other reports prior to submitting a bid.

(iii) Inspection by Bidder. Bidders may conduct their own inspection or perform a risk assessment for the presence of lead-based paint and/or lead based paint hazards at any time prior to submitting a bid. Before entering the Property, the bidder must first make arrangements with the individual identified to contact for inspection of the Property. The bidder is invited to take as much time as necessary to conduct such inspection or assessment prior to the deadline for submission of the bid. Bidders are encouraged to conduct any inspections and assessments early in the process, since the bid opening will not be delayed to accommodate completion of such inspections and assessments.

(iv) Lead Hazards Pamphlet. In order to fully understand the risk and hazards associated with the presence of lead-based paint and lead-based paint hazards, bidders are encouraged to review the pamphlet Protect Your Family From Lead in your Home. A copy of the pamphlet is available from GSA at anytime by calling 1-800-GSA-1313 or may be accessed through GSA's website at www.gsa.gov/pbs/pr/prhome.htm. GSA encourages every bidder to review this pamphlet prior to submitting a bid.

(v) Disclosure Form. Each bidder must complete and execute the appropriate portions of the form entitled United States of America ("Seller") Disclosure of Information on lead-based paint and/or lead-based paint Hazards, and submit the form with their bid before the time established for bid opening. In the event the bidder fails to include a completed and executed form with their bid, the bid shall be rendered non-responsive.

(vi) Abatement and Clearance. The Purchaser shall abate all lead-based paint hazards in accordance with 40 CFR 745.227 and other applicable laws and regulations prior to the occupancy of any residential Improvements prior to 1960. Title shall be conveyed to the Purchaser in a Quitclaim Deed that elaborates on these requirements. The Purchaser shall ensure that a clearance examination is performed in accordance with 40 CFR 745.227 and 24 CFR 35.1340, by a person certified to perform risk assessments or lead-based paint inspections. The examination must indicate that the clearance samples meet the standards set forth in 24 CFR 35.1320. The Purchaser shall provide the landholding agency and GSA with an executed Certificate of Completion of Lead Abatement prior to said occupancy, a copy of which is set forth in this Invitation for Bids. The Purchaser must attach to the Certificate a copy of the clearance report, prepared by a person certified to perform risk assessments or lead-based paint inspections and in accordance with 40 CFR 745.227. Purchaser shall indemnify and defend the United States for any claims or losses arising from Purchaser's use of Improvements built before 1960 that have not been abated by the Purchaser in accordance with the IFB and the Quitclaim Deed.

g. Notice – Presence of Radon:

The Grantee is notified that the United States has determined that a radon hazard potentially exists in subject building(s) on the Property and from the Property itself. Results of previous studies performed by the United States are available to the Grantee. Radon is a naturally occurring radioactive gas emanating from the ground that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time, and which falls within the CERCLA "Limitations on Response" standards at 42 U.S.C. 9604 (a)(3). Additional information regarding radon and radon testing may be obtained from the EPA and county and state health units.

Information provided to the Grantee with respect to the Property is based on the best information available to the U.S. General Services Administration and is believed to be correct, but any error or omission, including but not limited to the omission of any information available to the agency having custody over the property and/or any other Federal agency, will not constitute grounds for liability for damages by the Government for personal injury, illness, disability, or death, to the Grantee, its successors, assigns, employees, invitees, or any other person subject to the Grantee's control or direction.

2. **DESCRIPTIONS IN INVITATION FOR BIDS.**

The descriptions of the property set forth in the Invitation for Bids and any other information provided therein with respect to said property are based on information available to the GSA sales office and are believed to be correct, but any error or omission, including but not limited to the omission of any information available to the agency having custody over the property and/or any other federal agency, shall not constitute ground or reason for nonperformance of the contract of sale, or claim by purchaser for allowance, refund, or deduction from the purchase price.

3. INSPECTION.

Bidders are invited, urged, and cautioned to inspect the property to be sold prior to submitting a bid. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after the bid opening or auction.

The word "possession" shall mean either actual physical possession or constructive possession.

without first obtaining the written approval of the Contracting Officer. Any such approval will be conditioned on the bidder paying to the Government for the privileges granted, for the period from the date of the approval to the date of conveyance, an amount equal to the interest for such interval of time on the unpaid balance of the purchase price. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-½% rounded to the nearest one-eighth percent (⅛%) as of the date of bid acceptance.

All property insurance policies furnished in connection with credit sales shall be written in the name of the bidder, but shall name General Services

Administration, as loss payee under a Standard Mortgage Clause (non-contributing) for real property and as a loss payee for personal property.

- d. 13. GOVERNMENT LIABILITY.

If this Invitation for Bids is accepted by the Seller and: (1) Seller fails for any reason to perform its obligations as set forth herein; or (2) Title does not transfer or vest in the Purchaser for any reason although Purchaser is ready, willing, and able to close, Seller shall promptly refund to Purchaser all amounts of money Purchaser has paid without interest whereupon Seller shall have no further liability to Purchaser.

14. TITLE EVIDENCE.

Any title evidence which may be desired by the successful bidder will be procured by him at his sole cost and expense. It is understood that the Government will not be obligated to pay for any expense incurred in connection with title matters or survey of the property

15. TITLE

If a bid for the purchase of the property is accepted, the Government's interest will be conveyed by a quitclaim deed or deed without warranty and/or, where appropriate, a bill of sale in conformity with local law and practice.

16. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE.

The Government **shall set a sale closing date, said date to be not later than 30 calendar days after acceptance of the bid.** On the closing date, the successful bidder shall tender to the Government, by wire transfer, the balance of the purchase price. Upon such tender being made by the successful bidder, the Government shall deliver to the successful bidder the instrument, or instruments, of conveyance. The Government reserves the right to extend the closing date for a reasonable amount of time for purposes of preparing necessary conveyance documents. In any event, if possession was assumed by the successful bidder prior to the date of conveyance, the successful bidder shall pay, in addition to the purchase money due, an amount determined in accordance with 7, above.

17. DELAYED CLOSING.

The successful bidder shall pay interest on the outstanding balance of the purchase price if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the successful bidder's action and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-½% rounded to the nearest one-eighth percent (⅛%) as of the date of bid acceptance. The Government reserves the right to refuse a request for extension of closing.

18. DOCUMENTARY STAMPS AND COST OF RECORDING.

The successful bidder shall pay all taxes and fees imposed on this transaction and shall obtain at bidder's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal and local law. All instruments of conveyance and security documents shall

be placed on record in the manner prescribed by local recording statutes at the successful bidder's expense.

19. CONTRACT.

The Invitation for Bids, and the bid when accepted by the Government, shall constitute an agreement for sale between the successful bidder and the Government. Such agreement shall constitute the whole contract to be succeeded only by the formal instruments of transfer, unless modified in writing and signed by both parties. No oral statements or representations made by, or for, or on behalf of either party shall be a part of such contract. Nor shall the contract, or any interest therein, be transferred or assigned by the successful bidder without consent of the Government, and any assignment transaction without such consent shall be void.

20. OFFICIALS NOT TO BENEFIT.

No member of or delegate to the Congress, or officers or employees of the United States Government, shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit.

INSTRUCTIONS TO BIDDERS – Online Auction

(Government Real and Related Personal Property)

1. TYPE OF SALE.

The method of sale used here is an On-line Auction, which can also be described as a written auction. It is much like an oral auction except that instead of voice bids, electronic or written bids are submitted; and, instead of having to travel to attend the bidding, you can submit your bid by computer, fax or mail and increase your bid by either mail, fax or from your computer on the Internet from your home or office. Bidding will take place until the property is sold, except as otherwise specified herein. You can find out when new bids come in and what the high bids are by viewing our web page at www.auctionrp.com.

2. BIDDING IN GENERAL.

Bids will be received until a high bid is determined, except as otherwise specified herein. All bids are irrevocable for 90 days from the date of conclusion of the auction. The bid that represents the best value to the Government will be considered for acceptance. THE GOVERNMENT RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS AT ANY TIME FOR ANY REASON.

3. REGISTERING BIDDERS, USER ID & PASSWORD.

a. Registration is a 3-step process.

(1) Online registration on our Internet sale site www.auctionrp.com.

(2) Bid Form in this Invitation for Bids (IFB) must be filled out, signed and dated and delivered to the sales office identified in the IFB. Faxed Bid Forms are acceptable.

(3) Bid Deposit - The authorized Bid Deposit payment methods are by Cashier's Check or by Credit Card using the Bid Deposit by Credit Card Form in this IFB, or as otherwise specified herein. Personal or business checks are NOT acceptable. Cash is not recommended.

b. Once the Bid Form, on-line registration, and bid deposit are received by the sales office, the bidder's User ID and Password from the online registration will be activated and electronic bids may be made. The bidder's User ID will be used to identify the bidders on the auction web page. Bidders assign their own User ID (limited to eight (8) characters) and Password. However, as this is a public forum, privacy of bidder names and addresses is not implied and may be released to third parties. If you do not register online, a User ID and Password will be assigned to you. The User ID must be on the bid form when submitting bid increases, by mail or fax. The User ID number will be used to identify the bidders on our auction web page, www.auctionrp.com.

4. CONTINUOUS BIDDING RESULTS.

The current high bid is available any time (24 hours a day) by viewing the auction at www.auctionrp.com/auctions2.

5. BID FORM.

- a. Bids must be submitted on the Bid Form accompanying this Invitation for Bids, and all information and certifications called for thereon must be furnished. Bids submitted in any other manner or which fail to furnish all information or certifications required may be summarily rejected. Faxed bids are acceptable and bids may be modified or withdrawn by confirmed request prior to the time of conclusion of auction, except for highest and second-highest bids. The High Bidder identified at the end of the sale shall provide an original, signed and dated Bid Form to the GSA sale office prior to closing.

- b. Bid Forms shall be filled out legibly with all erasures, strikeouts, and corrections initialed by the person signing the bid, and the bid must be manually signed.

(1) Check appropriate box for Initial or Increased Bid.

(2) Fill in Date of Bid line.

(3) Fill in Bid Amount in the space indicated.

(4) Check the appropriate Bidder circle whether bidding as an individual, trustee, partnership or corporation.

(5) Fill in the Name, Address, and Phone Number section of the Bid Form.

(6) Sign and Date the Bid Form.

- c. Bids must be submitted without contingencies.
- d. Bids that are not submitted on GSA forms will be rejected.
- e. Negligence on the part of the bidder in preparing and submitting the bid confers no right for withdrawal or modification of the bid after it has been received.
- f. In submitting an initial bid, return the Bid Form (in duplicate) and bid deposit. Retain all other documents, including one copy of the Bid Form, for your record.

6. BID ENVELOPES.

Envelopes containing bids must be sealed and addressed to the bid receiving office stated in this Invitation for Bids. The name and address of the bidder must be shown in the upper left corner of the bid envelope, and the invitation number and the phrase "Bid for Real Property" must be shown in the lower left corner of the envelope. No responsibility will attach to any officer of the Government for the failure to open a bid not properly addressed and identified.

7. INCREASING A BID ONLINE.

If you learn from the web page that your bid is not the high bid, you can submit a higher bid until such time as bidding is closed. Increases in previously submitted bids are welcome, and the bid deposit from your first bid will apply to subsequent increased bids. If your bid is not accurately shown on the web page, then you must call us at 817-978-2331. Response to telephone, fax and other inquiries will be provided as expeditiously as possible, but no claim may arise from any failure in such response. The Government reserves the right to modify the bid increment at any time prior to conclusion of the auction. By submitting your bid through our web page, you are agreeing that your Internet bid is a binding offer subject to all the terms of this IFB.

8. INCREASING A BID BY FAX.

- a. Bids by fax may be made by using the bid deposit form in the bid package. By faxing your bid, you are agreeing that your faxed bid is a binding offer. Faxed bids must be completely filled out and signed. The fax number for increased bids or initial bids is (817) 978-2063.
- b. A bid submitted by fax will only be accepted during business hours and must arrive at the place and by the date and time that the Government has specified as the deadline for receipt of bids. If a bidder chooses to transmit a bid by fax, the Government will not be responsible for any failure attributable to the transmission or receipt of the faxed bid, including, but not limited to, the following:
 - (1) Receipt of a garbled or incomplete bid
 - (2) Availability or condition of the receiving facsimile equipment
 - (3) Incompatibility between the sending and receiving equipment
 - (4) Delay in transmission or receipt of bid
 - (5) Failure of the bidder to properly identify the bid
 - (6) Illegibility of bid
 - (7) Security of bid data

If your fax bid is not reflected on the web page and your bid is higher than the announced bid, you must call the Sales Office at (817) 978-2331 for verification that your bid was received.

9. 24-HOUR “SOFT CLOSE” BID SURVIVAL ROUTINE.

The Government will announce a date for the receipt of final bids on the sale web page. On that date at 2:00 p.m. Central, a 24-hour clock starts for the High Bid. If the high bid on the announced date at 2:00 p.m. survives 24-hours without challenge, then bidding will close at the stated time and consideration for award will be given to the High Bidder. If an increased bid of the increment stated herein,

if any, is received within 24-hours, then bidding will be held over an additional 24-hours, excluding weekends and Federal holidays, on the same terms. This process will continue until a bid remains unchallenged. Bid survival time increments may be changed from 24 hours (reduced or increased) as determined by the Government. Bid amount increments also may be changed as determined by the Government. Bidder agrees that notices of changes to the sale are satisfactory when made available on the sale web page at <http://auctionrp.com>.

10. FINAL BIDS AND ENDING OR SUSPENDING THE SALE.

Once bidding stops and a high bid has been determined, the high bidder will be considered for award of sale, and the sale will be ended. There is no guarantee that the Government will accept the high bid. The Government reserves the right to stop the sale for any reason without award and the right to start a new sale at any time. The Government may resolve bidding conflicts by determining who is the high bidder and high bid and re-open bidding until bidding stops as described above. The Government may temporarily suspend a sale to resolve sale controversies and resume a sale at any time.

11. BID EXECUTED ON BEHALF OF BIDDER.

A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of a Power of Attorney or other evidence of authority to act on behalf of the bidder.

- a. Corporation. If the bidder is a corporation, the Certificate of Corporate Bidder must be executed.

The certificate must be executed under the corporate seal by a duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

- b. Partnership. If the bidder is a partnership, and all partners sign the bid, with a notation that they are all the partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid, and the Government, in its discretion, may require evidence of the authority of the signers to execute the bid on behalf of the partnership.

12. BID DEPOSIT TERMS - REGISTRATION.

A bid deposit not less than the amount required by this IFB must accompany each bid, as follows:

(A) In the form of a cashier's check payable to the order of: "General Services Administration". Bid deposits by Cashier's Check must be accompanied by the Tax Identification Number (Social Security Number or business Tax ID Number) and official full name. Failure to provide such bid deposit shall require rejection of the bid. Upon acceptance of a bid and award, the appropriate bid deposit of the successful bidder shall be applied toward payment of the successful bidder's obligation to the Government. Appropriate bid deposits accompanying bids that are rejected will be refunded to bidders, without interest, usually within 30 business days after rejection of the bids.

(B) Credit cards (Visa, MasterCard, American Express, Discover) may be used for Bid Deposits and will be accepted only with the Bid Deposit by Credit Card form provided in the IFB. **CREDIT CARD DEPOSITS SUBMITTED WITHOUT THE BID DEPOSIT BY CREDIT CARD FORM WILL NOT BE REGISTERED UNTIL THE SALE OFFICE RECEIVES THE FORM.** Credit card deposits on rejected bids will be credited, usually within 15 business days after rejection of the bid. Faxes of all required forms are acceptable.

13. BID DEPOSIT TERMS – HIGH BIDDER 10% BID DEPOSIT.

- a. Within ten (10) business days of acceptance of an offer and award by the Government, the successful bidder agrees to deposit an additional amount, if any, which when added to the registration deposit, will equal at least ten percent (10%) of the final amount bid. Failure to so provide such bid deposit within ten (10) business days of the Government's acceptance of an offer and award shall require rejection of the bid as a default under the terms of Paragraph 12 of the General Terms of Sale herein.
- b. Upon acceptance of a bid and award, the appropriate bid deposit of the successful bidder shall be applied towards payment of the successful bidder's obligation to the Government. **The full balance of the purchase price is payable within thirty (30) calendar days after award.** At the time of closing, all cash money paid by the Purchaser will be credited, without interest, toward the total purchase price.
- c. Bid deposits received from the two highest bidders may be held as stipulated in Paragraph 14, Backup Bidder. All other registration deposits will be returned.

14. BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. If the High Bidder is unable to consummate the transaction, the second highest bidder may then be considered for award. The Backup Bidder's deposit will be retained, without interest, until the High Bidder has increased their Bid Deposit to the required 10% of the purchase price. Subsequently the Bid Deposit of the

Backup Bidder will be returned as specified in the Instructions to Bidders for Online Auction, paragraph 12, Bid Deposit Terms. In the event that the Government is unable to consummate the transaction with the high bidder or Backup Bidder, the Government reserves the right to consider remaining bids and make an award that is in the best interest of the Government.

15. ACCEPTABLE BID.

A bid received from a responsive bidder whose bid, conforming to this Invitation for Bids, will be most advantageous to the Government, price and other factors considered, is an acceptable bid. In the event two or more acceptable bids are received that are equal in all respects, the selection will be made by a drawing by lot limited to such equal bids.

16. NOTICE OF ACCEPTANCE OR REJECTION.

Notice by the Government of acceptance or rejection of a bid shall be deemed to have been sufficiently given when announced on the Sales Office's web site, faxed, e-mailed, or regularly mailed to the bidder or his duly authorized representative at the address indicated in the Bid Form. The Government's processing of a bid deposit shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

17. ADDITIONAL INFORMATION.

The General Services Administration issuing office, at the address given in this Invitation for Bids will, upon request, provide additional copies of this Invitation for Bids, and answer requests for additional available information concerning the property offered to facilitate preparation of bids. Each bid submitted shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this Invitation for Bids and any amendments made thereto prior to award of sale.

18. WAIVER OF INFORMALITIES OR IRREGULARITIES.

The Government may, at its election, waive any minor informality or irregularity in bids received.
